Portfolio

PROFILE

PGDM (Agribusiness Management) student with a focused career interest in FMCG Food & Beverages (F&B) Sales, Marketing, and Business Development. My foundation combines agribusiness training with hands-on exposure across the value chain — conducting efficiency analysis across five biscuit manufacturing lines as a Production Intern at Britannia Industries, and leading a 25-store SKU audit and market research across Surat evaluating portfolio performance in the snacks category through PepsiCo's Pep Sales Stars program. I am seeking a Management Trainee role in FMCG F&B Sales, Marketing & Business Development, with a long-term goal of building my own venture in the space.

WORK EXPERIENCE

Britannia Industries Limited| Production Intern

May 2026-August 2026 (Jhagadia, Gujarat)

Completed a 3-month internship in FMCG manufacturing at Britannia's biscuit facility, analyzing line-wise, shift-wise, and product-wise production data to identify efficiency trends and improvement opportunities. Delivered daily reports to plant leadership, supporting data-driven decision-making in large-scale production operations.

Bandhan Agritech Pvt. ltd | Field Intern

Jan 2026 – March 2026 (Anantapur, Andhra Pradesh)

Completed a field internship focused on banana export operations and post-harvest management. Worked closely with farmers and technical teams to understand export quality standards, supply chain operations, and international market requirements.

Brio Hydroponics | Trainee

April 2025 – June 2025 (Ahmedabad, Gujarat)

Completed practical training in hydroponic farming systems with exposure to controlled environment agriculture and modern cultivation techniques. Developed an understanding of sustainable agriculture, resource optimization, and nutrient management.

Surat Manav Seva Sangh (Chhayanado) | Intern

Feb 2024-Feb 2024 (Surat, Gujarat)

Contributed to the operations of a non-profit organization dedicated to community welfare, gaining valuable exposure to organizational functioning, social service initiatives, stakeholder coordination, and professional work ethics.

VOLUNTEER EXPERIENCE

Veer Narmad South Gujarat University (VNSGU), Surat

Student Volunteer | Jan 2024 (Surat, Gujarat)

Contributed to a multidisciplinary research project conducted by the Departments of Biotechnology and Statistics, supporting a survey-based study on the long-term health consequences of COVID-19 through field data collection and community engagement.

LEADERSHIP & SOCIAL IMPACT

Project Leader | SILP – SDG 4.7: Education for Sustainable Development

D. Y. Patil PGDM Institute, Pune | Oct 2025-Dec 2025

Served as the Project Leader for a social impact initiative aligned with the United Nations Sustainable Development Goal (SDG) 4.7 – Education for Sustainable Development. Led the planning and execution of sustainability-focused initiatives, including a plantation drive, a Biomedical Waste Management awareness program for government school students, and a mat donation campaign for underprivileged children. Successfully coordinated with faculty, school authorities, donors, and team members to deliver measurable community impact while demonstrating leadership, stakeholder management, project planning, and execution capabilities.
